- 4.3. After you place an order, you will be sent an acknowledgement e-mail (known as "**Order Confirmation**") with your order number and details of the product(s) you have ordered. Please note that the Order Confirmation is an acknowledgement that your order has been received, not an acceptance of your order.
- 4.4. After having received your pre-order, an acknowledgement email ("Pre-order Confirmation") will be sent to you with your order number and details of the pre-order products. The Pre-order Confirmation is not an acceptance of your order. When the pre-order products are available you will be sent an email informing you that AO Retail Ltd is now processing your order and it is being despatched. Acceptance of your pre-order and the formation of the contract of sale between AO Retail Ltd and you will take place as stated in clause 4 of these Terms when you will receive the Order Despatch.
- 5.2. Note that if you are paying with a debit/credit card, when sending you the Pre-order Confirmation a nominal amount of up to £2.50 will need to be pre-authorised from your account to validate your debit/credit card. This amount will not be debited from your account but if there are no funds available on your account this validation will fail. The

payment card will be charged on dispatch of the ordered product(s) as described in clause 10 below.

- 5.3. Pre-orders are date and time stamped on receipt by the Website, and will be processed strictly in the order in which they are received. All pre-orders are subject to availability. In some instances there may be unforeseen delays in launching the pre-order products. In these instances all reasonable attempts will be made to inform you of the delay. Any launch date displayed on the Website is indicative only and may change.
- 5.4. You have the right to cancel your pre-order at any time until the order is released for despatch and you have received Order Despatch. If you wish to cancel a pending order contact the customer service department.
- 5.5. If it is not possible to deliver the whole of your Order at one time due to operational reasons or shortage of stock, it may be delivered in instalments. You will not be charged extra delivery costs for this. However, if you ask for delivery of your Order in instalments, you may be charged extra delivery costs. Each instalment shall constitute a separate contract governed by these Terms. If an instalment is late in being delivered or one instalment is faulty, that will not entitle you to cancel any other instalment.
- 5.6. You will receive an Order Despatch email to confirm that your ordered products have been despatched.
- 5.7. If the product you have pre-ordered is not released or does not become available within 60 days (commencing the day after you ordered the product) ("Pre-order Expiry Date"), you will be contacted (by email or phone) with one of the following proposals:
 - 5.7.1. Cancellation of your order, or
 - 5.7.2. If feasible for AO Retail Ltd to do so, and subject to your prior acceptance, offer you a substitute product of equivalent price or specification ("Substitute product(s)") for those products that are not available on or before the Pre-order Expiry Date and proceed with the payment for any such Substitute product(s) in accordance with your chosen payment method. Where you receive Substitute product(s), you may still exercise your right to cancel and claim a refund in respect of such Substitute product(s) in accordance with clause 13 of these Terms (in accordance with your rights under the Distance Selling Regulations).
- 5.8. All pre-orders that are accepted by AO Retail Ltd (at its sole discretion) shall be subject to these Terms.

6. The right make changes to or vary these Terms

- 6.1. These terms may be changed:
 - 6.1.1. to reflect changes in relevant laws and regulatory requirements; and
 - 6.1.2. to reflect changes in the manufacturer's specification or example to implement minor technical adjustments and improvements for example to address a security threat. Endeavours will be made to make sure that these changes will not reduce the quality or performance of such product.
- 6.2. **More significant changes to the products.** Where you have ordered product and there are significant changes to the product that you have ordered you will be notified in advance to ensure that you still want to proceed with your order and if you do not wish to proceed you may then end the contract and receive a refund for any products paid for but not received:
- 6.3. Every time you order products from the Website, the Terms in force at that time will apply to the contract accordingly formed between you and AO Retail Ltd.
- 6.4. These Terms may be varied from time to time. Unless you have an outstanding order for products you will not be notified of any changes to the Terms. The Terms that will apply to any order you make for products are the Terms that you accept at the time you place your order.

7. Prices, delivery and handling charges and taxes

- 7.1. The price charged for a product will be the price quoted on the Website at the time the order is placed and will be set out in the Order Confirmation and Order Despatch. All reasonable care is taken to ensure that the prices for products are correct at the time when the relevant information was entered onto the system. However, occasionally mistakes may happen in the price quoted on the Website or in an advertisement. If there is such an error you will be informed as soon as it is known and you will also be told the correct price. If an error in the price of the product(s) you ordered is discovered:
 - 7.1.1. Where the product's correct price is less than the price on this Website, you will be entitled to a refund of the difference; and
 - 7.1.2. If the product's correct price is higher than the price stated on our website, you will be given a full refund together with the option of re-purchasing the product(s) (if available) at the correct price.

- 7.2. If the pricing error is obvious and unmistakable and could have reasonably been recognised by you as a mispricing, AO Retail Ltd does not have to provide the products to you at the incorrect (lower) price. If it is not possible to contact you using the contact details you provided during the order process, your order will be treated as cancelled and you will be notified in writing.
- 7.3. Prices shown on the Website may change at any time and without notice. Price increases will only apply to orders placed after such changes.
- 7.4. Prices for the products shown on the Website include VAT or other applicable taxes but do not include charges for delivery and handling.
- 7.5. Separate charges for delivery, handling (if any) and their related VAT or other taxes will be shown when you place your order. The Order Confirmation and Order Despatch provide proof of applicable delivery, handling and tax charges.

8. Products, Services, availability and delivery

- 8.1. **Products may vary slightly from their pictures.** The images of the products on the Website are for illustrative purposes only. Although every effort is made to display the colours accurately, there is no guarantee that your computer's display of the colours accurately reflects the colour of the products. Your products may vary slightly from those images. Although every effort has been made to be as accurate as possible, all weights, sizes, capacities, dimensions and measurements quoted on the Website are approximate.
- 8.2. **Withdrawal of the product.** If a product you have ordered is being withdrawn we will contact you. All reasonable endeavours will be made to let you know promptly in advance of stopping the supply of the product and you will receive a refund of sums you have paid in advance for products which will not be provided.
- 8.3. **Delivery costs.** The costs of delivery will be as displayed to you on the Website.
- 8.4. **When your products will be delivered.** During the order process you will be given delivery information, including an estimated delivery date.
- 8.5. **Delays outside our control.** If supply of the products is delayed by an event outside anyone's reasonable control then you will be contacted as soon as possible and steps will be taken to minimise the effect of the delay. Provided this is done, AO Retail Ltd will not be liable for delays caused by the event, but if there is a risk of substantial delay you may be entitled to end the contract and receive a refund for any products you have paid for but not received.
- 8.6. If you order any personalised products, the manufacturing time for such personalised products is added to the delivery time of the selected delivery option. There may also be reasons that your order delivery needs to be re-scheduled – if your products cannot be delivered on the estimated delivery date you will be notified.
- 8.7. Delivery is completed when the products are delivered to the address you provided when placing your order.
- 8.8. The products will be your responsibility from the time they are delivered to the address you provided.
- 8.9. Unfortunately it is not possible to deliver goods purchased on the Website to addresses outside the mainland United Kingdom. You may place an order for products from outside the mainland United Kingdom, but this order must be for delivery to an address in the mainland United Kingdom.
- 8.10. Please examine the delivery package and received products within a reasonable period of time after they are delivered to you. Check their condition and that the delivery package is unopened and the content of the delivery package is complete. It is your responsibility to notify as soon as possible in the event that packaging has been damaged in transportation, or the delivery is incomplete. For information on the applicable returns policy see clause 14 below.
- 8.11. If no one is available at your address to take delivery and the products cannot be posted through your letterbox, you will be provided with information on how you can rearrange delivery or arrange to collect the products from a local collection point.
- 8.12. If you do not collect the products as arranged or if, after a failed delivery to you, you do not re-arrange delivery or collect them from a collection point we you may be charged for storage costs and any further delivery costs. If, despite reasonable efforts, it is not possible to contact you or re-arrange delivery or collection your contract may be ended and Clause 14 will apply.

9. Compatibility

- 9.1. It is your responsibility to ensure that the products you purchase are compatible for their intended use. Where a Service is ordered with a product it is recommended that you check

that satisfactory network airtime service is available in the areas that you intend to operate the product.

10. Payment

- 10.1. Payment by credit/debit cards shall be made by a credit or debit card approved as indicated on the Website. You must supply your payment card details when you place your order.
- 10.2. Your payment card will be charged at the time of order for the full purchase price. Should your order be cancelled, or subsequently returned following our returns process, then a full refund will be applied to your card. Please allow 3-5 working days for this refund to show.
- 10.3. In the case of an order with no purchase price, a £2.50 deferred transaction (shadow payment) will be performed by AO Retail Ltd to validate the credit or debit card before an order is placed. Once an order is placed, the transaction of £2.50 will be 'Aborted', and no money would have been physically removed from the your account.
- 10.4. A deferred payment means that the card details are checked and a "shadow" is placed on your account – this means that you cannot spend those funds elsewhere, and again, you would see a differing "available balance" on your bank account.
- 10.5. Unlike immediate payments, deferred transactions are not sent to the bank for completion the following morning. And they won't be until they are "released" upon your product being available.
- 10.6. At any point within this time AO Retail Ltd can "release" these funds (an instruction to the Bank to say 'the order has now completed such that the full sum of money should be taken from your bank account').
- 10.7. The "shadow" on your bank account will remain for up to 30 days regardless of whether or not the order is fully complete. If the order does not complete, after a 30 day period the transactions are automatically aborted and you will be given access to the full funds in your account.
- 10.8. In the case of an unsuccessful transaction, instruction will be sent to the Bank to abort the shadow payment, releasing the payment back to you within 3 to 5 working days. There is no mechanism available to expedite this time frame.
- 10.9. Your ordered products will not be supplied until your card issuer has authorised the use of your card for payment of the ordered products. As your Order Despatch is your proof of purchase, it is recommended that you save and print that document for your potential future use. Note that the VAT/tax invoice delivered to you either electronically or in the delivery package can also be used as proof of purchase.
- 10.10. Verified by Visa and MasterCard SecureCode may be used to provide additional security checks when processing your order. If you decline to register with either of the above Payer Authentication Schemes when prompted, it may not be possible to proceed with your order.
- 10.11. The Website nor AO Retail Ltd is responsible for your card issuer or bank charging you as a result of our processing of your credit/debit card payment in accordance with your order

11. Title to products

- 11.1. AO Retail Ltd, who is fulfilling your order placed on the Website, retains full legal title to products until all amounts due on the ordered products have been received in full, including all applicable delivery charges.
- 11.2. Unless you are specifically purchasing a product on a standalone basis (without a Service) it is only possible to sell or supply a product to you on the basis that you enter into a Network Contract, adhere to the terms and conditions of that Network Contract and pay the Network Operator all airtime bills as specified within the Network Contract for the agreed minimum term of the Network Contract. This is because the product has a significant costs so it can only be supplied to you free or for a price below what the item is worth because the Network Operator subsidises the cost of the product. If you do not comply with the terms of your Network Contract at any time during the agreed minimum term of the Network Contract – for example if you do not pay your airtime bills or you cancel your Network Contract or are disconnected - the Network may recover from us any subsidies that it has paid AO Retail Ltd for your product. If this happens, you may be charged the cost of the product as if it had been supplied to you on a SIM free basis (without a Network Contract) and you debit your credit card may be debited on the basis that the product was supplied to you on a SIM free basis. Following receipt of such a payment your original VAT/tax receipt would be credited and a new one issued to you a new SIM free product receipt.
- 11.3. AO Retail Ltd and reserves the right (subject to the applicable law) to end your right to use, sell, or otherwise deal in the products and to enter your premises and repossess the products (or instruct a third party to do so), if payment is not made, or if the debit/credit card

company declines payment or requires it to return any payment made for the products, for any reason.

12. Communications to/from you

- 12.1. Where these terms use the words "writing" or "written", this includes emails.
- 12.2. To cancel a Contract in accordance with your legal right to do so as set out in clause 13, you must provide notification in writing by sending an e-mail to webshop@mobilephonesdirect.co.uk or by sending a letter to the address set out in clause 1. You may wish to keep a copy of your cancellation notification for your own records. If you send your cancellation notice by e-mail or by post, then your cancellation is effective from the date you sent the e-mail or posted the letter.
- 12.3. If you wish to make contact for any other reason, you can e-mail webshop@mobilephonesdirect.co.uk or send a letter via post to Affordable Mobiles, c/o AO Retail Ltd to the address set out in clause 1. Details on how to contact Customer Services are available on the Website.
- 12.4. Correspondence and notices in writing to you will be sent by e-mail or by post to the address you provided as part of your order.
- 12.5. The provisions of this clause shall not apply to the service of any proceedings or other documents in any legal action.

13. Your rights to end the contract

- 13.1. **You can always end your contract.** Your rights when you end the contract will depend on what you have bought, whether there is anything wrong with it, and when you decide to end the contract:
 - 13.1.1. If what you have bought is faulty or misdescribed you may have a legal right to end the contract (or to get the product repaired or replaced or a service re-performed or to get some or all of your money back), see Clauses 14.5, 14.9 – 14.12 inclusive and 17;
 - 13.1.2. If you want to end the contract because of something Affordable Mobiles Ltd or AO Retail Ltd have done or have told you they are going to do, see Clause 13.2;
 - 13.1.3. If you have just changed your mind about the product, see Clause 8.3. You may be able to get a refund if you are within the cooling-off period, but this may be subject to deductions for example you may have to pay the costs of return of any products;
 - 13.1.4. In all other cases (if there is no fault and there is no right to change your mind), see Clause 13.6.
- 13.2. **Ending the contract because of something we (Affordable Mobiles Ltd or AO Retail Ltd) have done or are going to do.** If you are ending a contract for a reason set out below the contract will end immediately and you will receive a full refund for any products which have not been provided. The reasons are:
 - 13.2.1. you have been notified about an upcoming change to the product or these terms which you do not agree to (see Clause 6.2);
 - 13.2.2. there is a risk that supply of the products may be significantly delayed because of events outside anyone's control;
 - 13.2.3. supply of the products has been suspended for technical reasons, or you have received notification that this is going to happen; or
 - 13.2.4. you have a legal right to end the contract because of something we have done wrong.
- 13.3. **Exercising your right to change your mind (Statutory Consumer Rights).** For most products bought online you have a legal right to change your mind within 14 days and receive a refund. These rights, under the Consumer Contracts Regulations 2013, are explained in more detail in these terms.
- 13.4. **When you don't have the right to change your mind.** You do not have a right to change your mind in respect of:
 - 13.4.1. any made-to measure or custom-made products or products made to your specification or clearly personalised;
 - 13.4.2. digital products after you have started to download or stream these;
 - 13.4.3. sealed audio or sealed video recordings or sealed computer software, once these products are unsealed after you receive them; and
 - 13.4.4. any products which become mixed inseparably with other items after their delivery.
- 13.5. **How long do I have to change my mind?** You have 14 days after the day you (or someone you nominate) receives the products, unless:
 - 13.5.1. Your products are split into several deliveries over different days. In this case you have until 14 days after the day you (or someone you nominate) receives your handset to change your mind about that item. In respect of accessories sold separately but forming part of the same order, you have until 14 days after the last delivery to change your mind about the products.

- 13.5.2. Your products are for regular delivery over a set period. In this case you have until 14 days after the day you (or someone you nominate) receives the first delivery of the products.
- 13.6. **Ending the contract where we (Affordable Mobiles Ltd / AO Retail Ltd) are not at fault and there is no right to change your mind.** Even if we are not at fault and you do not have a right to change your mind (see Clause 14), you can still end the contract before it is completed, but you may have to pay compensation. A contract is completed when the product is delivered, downloaded or streamed and paid for. If you want to end a contract before it is completed (where we are not at fault and you have not changed your mind) just contact us to let us know. The contract will end immediately and you will receive a refund of any sums paid by you for products not provided – but a deduction from the refund may be made (or, if you have not made an advance payment, a charge may be made) by way of reasonable compensation for the net costs incurred by AO Retail Ltd as a result of your ending the contract.

14. Cancellations & Returns – How to end the contract (including if you have changed your mind)

- 14.1. To cancel a contract, please send an email to webshop@mobilephonesdirect.co.uk or contact our call centre. You will then receive, by email to the address that you provided, a Returns Authorisation Number (RAN) and further necessary return instructions.
- 14.2. **Returning products after ending the contract.** If you end the contract for any reason after products have been dispatched to you or you have received them, you must return them to us. Please call customer services on 0345 470 4000 or email us at webshop@mobilephonesdirect.co.uk for details on how you can arrange for the products to be returned. If you are exercising your right to change your mind you must send off the products within 14 days of telling us you wish to end the contract.
- 14.3. **When the costs of return will be paid for you.** The costs of return will be paid for you:
- 14.3.1. if the products are faulty or not as described; or
- 14.3.2. if you are ending the contract because you have been told of an upcoming change to the product or these terms, an error in pricing (that is to your disadvantage) or description, a significant delay in delivery due to events outside anyone's control or because you have a legal right to do so as a result of something Affordable Mobiles Ltd / AO Retail Ltd has done wrong; and
- 14.3.3. in all other circumstances (including where you are exercising your right to change your mind) you must pay the costs of return.
- 14.4. **Collection Charges.** If you are responsible for the costs of return and the product needs to be collected from you, you will be charged the equivalent of the direct cost of collection.
- 14.5. Some minor faults can be rectified by a simple download of the latest release of the manufacturer's operating software. Please contact customer services for advice on this and the best course of action.
- 14.6. Please note that in order for your phone/device to be accepted for cancellation where you have changed your mind it must meet the following criteria:
- 14.6.1. Must be in a resalable condition;
- 14.6.2. Must be in its original box and packaging which must remain undamaged;
- 14.6.3. Must be returned with its original charger, and all other in box accessories that it was delivered with;
- 14.6.4. Must be returned with any gift you may have received as a result of the phone contract; and
- 14.6.5. Must have pin locks or passcodes removed.
- 14.7. **Returning Gifts:**
- 14.7.1. The gift must be unopened and unused in order for us to accept the mobile phone cancellation;
- 14.7.2. The gift must be in its original undamaged packaging along with any associated accessories;
- 14.8. If any of the above criteria is not met then your handset may not be accepted back for cancellation.
- 14.9. **Faulty products:** For any handsets which are faulty it is understood that some of the above criteria may not be met and all reasonable efforts will be made to offer a like for like exchange within the 30 day exchange period for faulty products. For any faults outside of 30 days you could be covered by your manufacturer warranty instead.
- 14.10. **Returning a faulty handset**
- 14.10.1. Where a product you have purchased is defective, you can, for a period of 30 days from your receipt of the defective product(s), return them for exchange or refund. Defective products that are returned will be tested for the reported fault to confirm the return reason. In these cases you will be given you return instructions by a contact centre associate who will also arrange for the replacement or refund of your product(s) as applicable.

- 14.10.2. To return a faulty handset within the 30-day returns policy, please make contact by email at: webshop@mobilephonesdirect.co.uk or call customer services on: 0345 470 4000.
- 14.10.3. Returns will only be accepted with a valid authorisation. To ensure a fast and secure return we encourage you to use a recorded delivery service.
- 14.10.4. Where a product has been purchased as a part of a bundle of products, all products within that bundle must be returned. Until you return them you must keep the products in your possession, take reasonable care of the products while they are in your possession and return them in the condition that they were delivered to you.
- 14.10.5. To ensure a fast and secure return you are encouraged to use a recorded delivery service.
- 14.10.6. In case of replacement identical new products will replace the original products.
- 14.11. **Refunds**
- 14.11.1. Once your returned products have been received and validated this will be confirmed to you by email. Refunds due to you will be made as follows:
- 14.11.2. If you are exercising your right to change your mind then your refund will be made **within 14 days** from the day on which the product is received back from you by credit to your payment card; and
- 14.11.3. In all other circumstances, your refund will be credited to your payment card as soon as possible and, in any case, **within 30 days** of the day on which you gave notice of cancellation as confirmed by email ("Order Refunded" email).
- 14.11.4. **Deductions from refunds if you are exercising your right to change your mind.** If you are exercising your right to change your mind:
- 14.11.5. Your refund of the price (excluding delivery costs) may be reduced to reflect any reduction in the value of the products, if this has been caused by your handling them in a way which would not be permitted in a shop. Use would include, for example, using the products to make or receive a call, sending or receiving SMS/MMS, accessing the internet via the product, using the functions of the product for example amending settings, saving data, adding contacts, taking photos or using applications. If you receive a refund of the price paid before it has been possible to inspect the products and it is later discovered you have handled them in an unacceptable way, you must pay an appropriate amount up to the full cost of the product.
- 14.11.6. The maximum refund for delivery costs will be the costs of delivery by the least expensive delivery method we offer. For example, if delivery of a product within 3-5 days is offered at one cost but you choose to have the product delivered within 24 hours at a higher cost, then the refund will be limited to what you would have paid for the cheaper delivery option.
- 14.11.7. Please note that only product bought on the Website will be processed for returns and refunds. If you bought products through some other distribution channel, such as from another website, a mobile network or a retail store or catalogue, please follow the applicable seller's product return policy.
